

EMBELLISHED CARD BOX

STEP 1: PREPARE YOUR SURFACE

- Cut Mod Gray/White Polka Dot Tissue paper to desired width of your box and lid.
- Coat area where tissue paper will be placed with decoupage glue, apply tissue paper.
- Make sure to smooth out tissue paper and allow to dry before apply another thin layer of decoupage glue

STEP 2: CREATE YOUR DESIGN

- Gently unroll Crazy for Chevy-Teals Fat Roll™ washi tape and apply inside lip of box.
- Roll tape around the width of the box; repeat with the lid.

STEP 3: YOUR FINISHED ART

- Hot glue the end of your ribbon of your choice to the inner lip of the box; repeat with lid.
- Hot glue 'Oh so Sky' Sequin Flower to the top of the lid.
- Once glue has dried, you can sand or ink the edges of your box and lid and add additional embellishments if desired.
