

'LAUGH, LOVE, DREAM' WOOD HEART

STEP 1: PREPARE YOUR SURFACE

- Coat 14x20 wood heart with decoupage glue.
- Cover heart with Crazy for Chevy - Teals paper roll.
- Smooth out pattern (allow to dry).
- Coat the top of paper with a thin layer of decoupage glue.
- Allow to dry completely.

STEP 2: CREATE YOUR DESIGN

- Gently remove Broadside Alpha Stencil-Mask™ from clear sheet and place directly on prepared surface.
- Once letters are in place, make sure they are smooth and flat to the surface without bubbles or wrinkles.

STEP 3: PAINT YOUR SURFACE

- Use acrylic paint and a foam brush.
- Paint the entire surface area, including Broadside Alpha Stencil-Mask™ letters.
- Once surface is completed, use a pin or tweezers to gently remove letters; drying time is unnecessary.
- Place letters back on clear sheet.
- Easily wipe clean letters using a baby wipe and paper towel.

STEP 4: YOUR FINISHED ART

- Once dried, you can sand or ink the edges of your canvas and add embellishments if desired.
